PEOPLE, PLACES, OR THINGS I'M MOST GRATEFUL FOR:

Self Note

MESSAGE TO MY PAST SELF:

Problems I Solved

Your solution
could be the
answer they
are praying
for.

PROBLEMS

What frustrated you so much that
you developed a solution?

DISCUSSION

What were the issues you
identified that needed adjusting?

IDEAS

What ideas did you start with in
developing a solution?

What processes did you use?

SOLUTION

What was your final solution?

Your journey
inspires
hope and
courage.

My Road To Solutions

How I Got Here

Problem

You identified a problem or problems. List them below.

1

Objectives

What were you wishing you had in place of those problems? State it here:

2

Analysis

Then, you examined the problem and saw what was needed in its place. What was that?

3

Strategy

Then, you decided what steps you were going to take. What were they?

4

Solution

What did you discover was the best solution?

5
